Re: Handicap sign request

Sir,

I have received an application for a handicap parking sign from William Belkus of 2 Irving Ave. He has an active Massachusetts handicap placard issued to him. I have inspected the location and his request is appropriate. He currently has no off street parking. He lives on a dead end street and actually is located at the dead end. I would recommend that a Handicap parking space be placed in front of his home located at 2 Irving Ave.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "Powell", with a small "#8" written to the right of the signature.

Dear Mayor Fiorentini and Members of the Haverhill City Council,

The Haverhill License Commission respectfully seeks authority to license and regulate "Carry In" alcoholic beverages.

As you may know at least one downtown business owner has expressed interest in securing such a license should one become available. The License Commission conducted a public hearing in December to gather comments from the public and voted at its January 7 2016 meeting that the availability of a limited "Carry In" (Bring Your Own Bottle) license would be consistent with the public interest.

Absent such authority and regulations, businesses may conduct such operations in a manner that may threaten public health and safety and contrary to otherwise reasonable public policy.

The members of the License Commission remain at your service and available to answer any questions.

Sincerely,

*Joseph C. Edwards*
